Services: Residential care and rehabilitation services supporting people aged 18-65 with physical and neurological disabilities in Canterbury and Wellington (Health and Ability Services), social services supporting vulnerable youth and young parents in Canterbury (Community, Youth and Child Services).

SERVICES

- › Ministry of Social Development accreditation achieved for our Community, Youth and Child Services division for maximum three years.
- › Received three-year contract with Ministry of Vulnerable Children (Oranga Tamariki) for intensive social work support, lead professional capacity, support for youth at risk, intensive case management and community development.
- › Provided 42,283 nights of residential care and community living facilities to people living with a physical or neurological disability.
- › Achieved bed occupancy greater than 96% across Health and Ability Services.
- › Opened the six-room Pampuri House at St John of God Halswell, delivering a transitional living environment for people living with disability.
- › Renewed funding arrangements with a range of government departments.
- › Delivered counselling to 422 young people and social work support to 124 young people.
- › Collaborative Adventure Therapy and Mental Health and Wellbeing program delivered to eight schools, with 14 groups supporting 73 youth at risk and 20 young people experiencing eating issues.
- › Supported 40 young women at risk through the Mana Wahine Adventure Therapy Group.
- › Continued Adventure Therapy partnership with Department of Corrections, supporting 24 young people who have offended throughout the year.
- › Delivered 59,995 hours of early childhood education at Little Owls' Preschool.

- › Supported 172 vulnerable young parents at St John of God Waipuna through 16 young parent education groups.
- › Doubled scope of Mellow Parenting Program.
- › Delivered 12,224 rehabilitation and therapy hours through the Granada Centre, our Neurological Rehabilitation Centre of Excellence.
- › Continued providing the HOPE social housing project.

PEOPLE

- › Commenced implementation of Ministry of Health pay equity settlement for workers in aged and disability residential care and home and community support services.
- › Organisation-wide roll out of Roster to Pay program for all caregivers.
- › Appointed Stewart Clark as Regional Manager and Vishal Nagar as Rehabilitation and Therapy Manager of Health and Ability Services (Northern).
- › Received award from the Ministry of Social Development for our role in Earthquake Support Coordination after the 2010/11 Canterbury earthquakes.

COMMUNITY

- › Community, Youth and Child Services signed Memorandum of Understanding with Plunket NZ to deliver pregnancy and parenting education to young parents in partnership.
- › Community, Youth and Child Services continued to implement a five-year contract with the Department of Corrections for delivery of the rehabilitation and reintegration Mauri Toa Rangatahi youth offender program.
- › Annual charity auction delivered more than NZ\$14,000 in funding to support vulnerable young parents.

YEAR AHEAD

- › Implement Residential Care Pathway program at Health and Ability Services.
- › Prepare to implement Group Health and Safety modules.
- › Commence NZ\$2 million seismic strengthening and refurbishment program at the St John of God Karori facility.
- › Establish feasibility of social enterprise models to drive innovation in funding and service delivery.
- › Implement Pae Ora Plan supporting the implementation of our Māori Health Plan and the principles of the Treaty of Waitangi.
